OUR FACTORY

ABOUT US

Rangpur Metal Industries Ltd. (RMIL) is a sister concern of PRAN-RFL Group. PRAN-RFL Group consists of 20 sister concerns dealing with food, plastic, agri-supplies, furniture, etc. In 1981, the Group began its journey with Late Major General Amjad Khan Chowdhury (Retd.)'s vision to eradicate hunger and poverty. It began humbly by producing water pump & tube well to help farmers with irrigation. As the years progressed, the Group diversified into other fields.

RMIL bike factory of 49,000 sq meter is situated inside Habiganj Industrial Park (HIP), 140 km to the north-east of Dhaka. The factory is fully equipped with world class close type paint booth, latest conveyer line, mitring section, frame section, fork section, phosphate plant, chrome plating plant, zinc plant, rim section, spoke & nipple section, tyre & tube, plastic parts section, wheel assembly section, and final assembly section with manufacturing capacity of 1,000,000 units per year.

We are an organization of 700 employees dedicated to supplying quality complete bikes globally.

A GLIMPSE INTO BANGLADESH

Bangladesh is one of the most densely populated countries in the world. It has a population of 160 million, and a per capita income of \$2824, along with economic growth of 7.25%. The country is dependent on agriculture, but it is gradually transforming its industrial structure. The major industrial sectors are Textile, Chemical, Pharmaceuticals, Leather, Agro products, Ceramics, Frozen foods, Plastics, etc. Bangladesh is known for unlimited natural beauty, like the longest sea beach in Cox's Bazaar, the largest mangrove forest & the Royal Bengal Tiger in the Sundarbans. Also, you can see the ancient archaeological sites. So, it is a place where you can do both business and take a relaxing vacation to enjoy the natural wonders.
