A person with long blonde hair, wearing a black helmet with a white shield logo and a black jacket, stands on a white electric fat bike. The bike has a large black battery pack on the frame and thick, treaded tires. They are positioned on a grassy hillside, looking out over a coastal town and a body of water. In the background, a small boat is visible on the water, and a small building sits on a rocky outcrop. The overall scene is misty and atmospheric.
